To Dave,

I am so excited to announce that WECAM (*WE Care About Music*) is collaborating with Global Deeds to host an upcoming event called **Artists For Peace** to be held on September 21, 2012 in commemoration of the UN International Day of Peace.

On Friday, September 21, 2012 from 7pm to 10pm the community is invited to celebrate International Day of Peace by enjoying local artists and musicians performing songs and presenting artwork highlighting peace. There will be art activities such as peace sign t-shirt decorating offered as well as refreshments. Global Deeds Foundation is located at 45 Lafayette St. next to Engine House Pizza, and is handicapped accessible.

As you have been a former City Councilor At Large, I would like to cordially invite you to the event and to consider giving a brief speech on the importance of working together for peace within our community. Please consider participating in this exciting celebration. I will contact you by the end of next week to ask your response and if you would like any more information.

Sincerely,

Terri Lee (Founder of WECAM)
